

The Forest School

Every Child, Every Chance

23 November 2018

Dear Parents/Carers

I hope that you are well and looking forward to the festive celebrations - we are really excited about the opportunities for you to come in to school over the next couple of weeks.

You will know that we are having extensive building work completed over the next two terms and this requires a great deal of flexibility and manoeuvring of children, staff, equipment, heavy vehicles etc. So far we have managed to do this without too much interruption to teaching and learning time and we are very committed to ensuring that this is our philosophy for the whole of the project.

There is however, for health and safety reasons, a need for us to close school to students on Tuesday 8th January - this means that students will return from the Christmas holiday break on Wednesday 9th January.

Staff will be in school on this day to ensure that the site is all safe and prepared for the childrens' return.

I am incredibly grateful the all the support that you continue to give me and the school and I wanted to ensure that I gave you as much notice as possible as I realise that parents and carers need to make alternative arrangements.

Yours sincerely
