

The Forest School are delighted to announce they are bed number 90 in this year's Great Knaresborough Bed Race, taking place on Saturday 8th June.

The bed might not look like much now, but its chief designer, Nikki Morgan, and bed maker, Mark Jewkes, have great plans for our Yorkshire Vet themed bed.

And not forgetting our dedicated runners who were out for their first bed pushing trial this past Sunday 12th May: Paul Mcgough, Jason Westmorland, Tim Isaacs, Terry Tillotson and Hadrian Knight - we appreciate the pain you are putting yourselves through!

We'll keep you updated with regards the bed design and runners progress over the next few weeks. But in the meantime, if you'd like to sponsor our team effort, please do so by clicking on our website's Give As You Live 'Donate Now' button. We're raising funds for iPads for our school.
