

To all the lovely children in Class JB,

I hope you are all doing well and are staying safe at home! I'm sure you are doing lots of brilliant learning with your families. I've made some extra tasks to keep you busy this week. I hope you enjoy starting our new topic, 'Our Natural World', and learn lots of exciting new things that you can share with your friends and I when we are all back together again. I would love to see what you have been up to so please share pictures of your work on the Forest School Facebook page or send an email to batchelorj@forest.n-yorks.sch.uk. Don't forget to stay safe and make sure you are helping out at home. I can't wait for you all to be back at school again so I can see your lovely smiley faces again!

From Mrs Batchelor ☺

To you amazing parents and carers,

I really hope that you are all safe and well! Times are tough right now and I know home-schooling can seem like an impossible task at times, but please don't worry about it! In this folder, I have provided lots of activities that I would love you to be getting on with this week. There are five different subject areas with a range of activities that you can choose how and when to complete. I have provided a learning cloud overview that shows a brief outline of the different activities and some more detailed guidelines for each subject task.

These tasks are all in line with what we would be learning if we were in school, so it would be great if you could encourage some learning at home. Hopefully the instructions are easy to follow but if not please do not hesitate to contact school and I would be happy to provide clarification for you where needed. Please know that there is no pressure at all. Feel free to do what you can, when you can and if you feel you need to adapt the tasks for any reason – go for it! Whatever you do will be great! The most important thing right now is that we all stay healthy and happy!

My email address batchelorj@forest.n-yorks.sch.uk

Take care of yourselves and I look forward to speaking to you all soon!

From Mrs Batchelor ☺
