

To all the lovely children in Class JH,

Hello again! I hope you are still all safe and happy! I really enjoyed chatting to lots of you on the phone last week and I can't wait to talk to the rest of you this week. It was lovely hearing about all the wonderful things you have been getting up to! Some of you have been chilling in your gardens - soaking up the sun, there have been lots of bike rides going on and one of you has even got to level 400 in Candy Crush - WOW! You all sound like you've been having great fun, but don't forget there is plenty of work to be doing on the website if you get bored! I'd love to see all the things that you've been doing! You can share pictures on our Facebook page or e-mail me at hallj@forest.n-yorks.sch.uk and I will make sure I get back to you all when I can!

I know it is tricky at the moment with us all being apart, but just know that I am so proud of you all for doing the best thing that we can do by staying at home! This is not forever and we will see each other again soon, but for now, I will continue to miss you and I will speak to you all again very soon!

Stay safe and happy everyone! **From Miss Hall** 😊

To you amazing parents and carers,

I very much enjoyed speaking to lots of you this week, it was nice to get to know you all a little bit more and even speak to lots of you for the first time too. I didn't get chance to speak to all of you, but hopefully I will have managed to have a chat with everyone by the end of this week!

I was so happy to hear that you are all getting on well and enjoying your time at home, staying safe together. I know it is very different and lots of us are struggling in a range of ways, but I hope we will look back at this year and be grateful for the time we have been given to enjoy each other's company and to just be.

I hope you enjoyed completing some of the tasks that I left for you last week. Please don't worry if you didn't get through them all, or even if you haven't touched them at all. You know yourselves and your children better than anyone and I trust that whatever you decide to do with your time, is for the best. However, I have uploaded some more weekly challenges for you to be getting on with if you would like to. Again, these are along the lines of what we would be doing at school, so it would be great if you could have a go, however you feel that you can.

Take care of yourselves and I look forward to speaking to you all again soon!

From Miss Hall 😊
