

# Discovering Britain's Seaside Scarborough

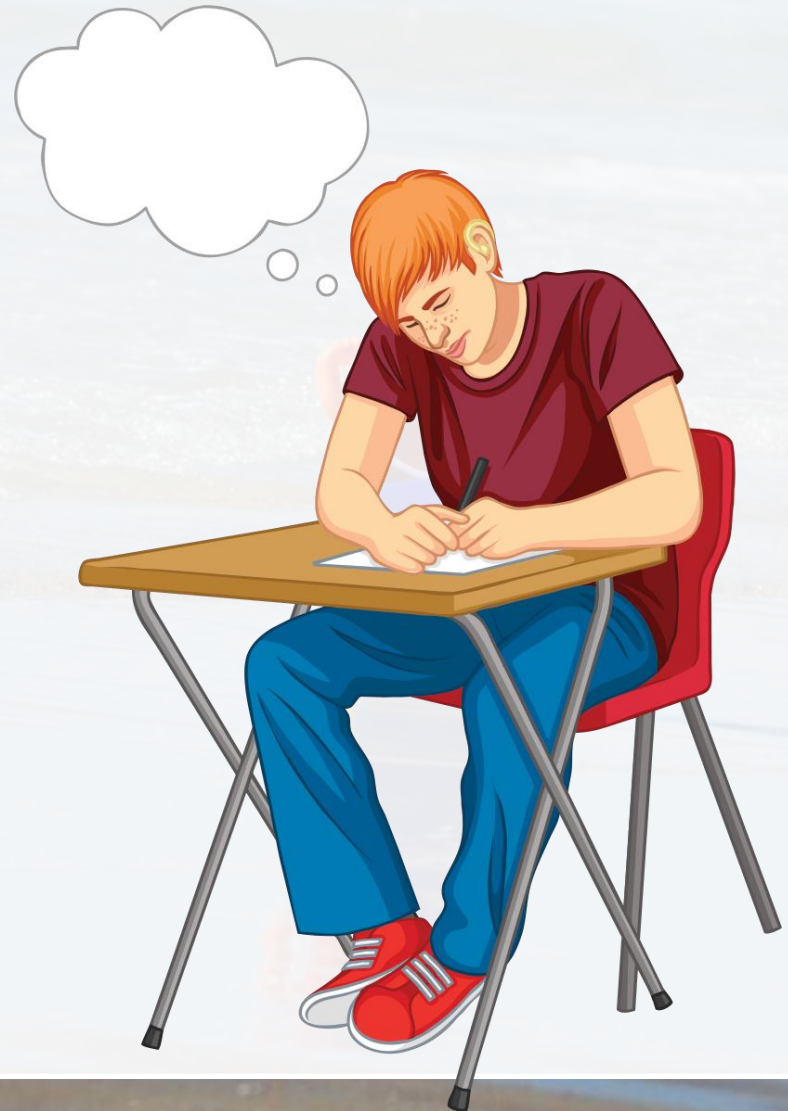

# What do you think?

You're going to see six images of Scarborough.

For every image, write down the first thoughts that come into your head.

Try to write down at least **three adjectives** for each photograph.

# Poetry Time!

Write a poem about Scarborough using all the thoughts and adjectives you have written down.

Maybe you would like to visit Scarborough, or maybe it doesn't appeal to you. Try to get this across in your poem.
