

What is the Coronavirus?

The Coronavirus is a virus.

A virus is something that makes us feel poorly.

What is the Coronavirus?

People who have the
Coronavirus might
have:

a cough, a sore
throat, a fever.

What is the Coronavirus?

Most people with the
Coronavirus stay at
home to get better.

Some people go to
the hospital to get
better.

What is the Coronavirus?

I can stop the spread
of germs by washing
my hands.

I make sure that I get
soap and water all over my
hands and between my
fingers.

What is the Coronavirus?

If I can't wash my
hands, I can use
hand sanitizer.

What is the Coronavirus?

Some of my friends
and teachers may not
be in school.

I will see them again
soon.

What is the Coronavirus?

I know that I will be
safe and I don't need
to worry.

I will be safe and
happy at home with
my family.

What is the Coronavirus?

I won't be able to go
to my favourite
places for a while.

Once the Coronavirus
is gone, I will be able
to go there again.
