It's your friend Stanley's birthday. He got a new gadget and he can't wait to explore the Internet! Can you help him to make some good choices about what he does online?

Hi, I'm Stanley. I'm 11 years old TODAY!
Look, I got a new tablet computer.
I can't wait to get online and explore!
Mum and dad say I'm old enough to be trusted...

All I have to do is press 'Next' and it will be all set up.
At last, I'm online on my own tablet! I'm fed up of sharing with my
mum! Let's get exploring!

The first thing I'm going to do is join Friendsly.
Everyone's on it at school!
If I ask my mum, she won't let me, so I'm going to
keep it a secret. Don't tell!!
