

Write a letter or a postcard

I know we have been at home for what seems like a very long time, so this week I would like you to write a letter or a postcard to a family member or a friend who you are missing lots.

You could include:

What you have been doing, where you have been, what you have learnt, what games you've played, what you're looking forward to doing after lockdown

Ask a grown up for help if some of the words are tricky!

Keep going with your daily diary!

Maybe this week you could tell me:

- Have you travelled anywhere different this week?
- Have you watched any films?
- Have you done any baking?

Play some Money Games!

- You can do this by playing shops – you could use food from your kitchen to sell in your own kitchen shop
