

Understanding the World Activity Guidance

1. Think about your last trip to the seaside

What did you like about it?

What did you see?

What did you do?

What makes the seaside special?

How is the seaside different to where you live?

Draw me a picture! Can you add some labels too?

2. Seaside: Past and Present

Look at the seaside 'Now and Then' power-point

Talk to a grown-up about the ways that seascapes have changed over time

Complete the sorting activity to match the pictures to *past*, *present* or *both*

Don't forget to ask a grown-up for help when using scissors.

Seaside Comparison: Past and Present

Think about all the things you have learnt about seaside holidays in the past and what they are like now, in the present. Complete the table by sorting the things into the right columns.
