

Matilda Chapter 7: Miss Honey

Matilda's parents forget to find her a school. She starts

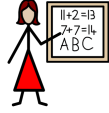

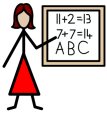

5 +

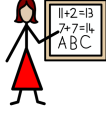

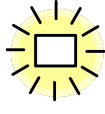

$\frac{1}{2}$

Crunchem Hall when she is five and a half years old. Her

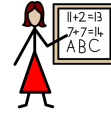

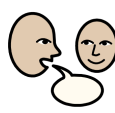

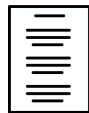

teacher is called Miss Honey. Matilda shows her amazing

$\left(\begin{array}{r} 2 \\ +3 \\ \hline 5 \end{array} \right)$

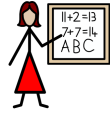

knowledge to her new teacher. She does numeracy, reading

and makes up a poem. She tells Miss Honey about some of

the books she has already read, which are books adults

normally read. Miss Honey is very surprised by Matilda.
