

*Matilda* Chapter 9: The Parents

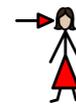

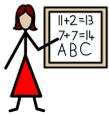

Miss Honey finds some books for Matilda to learn from in

class. Matilda already knows the things Miss Honey is teaching

the other children.

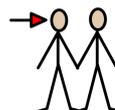

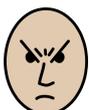

Miss Honey decides to visit Matilda's parents. She wants to

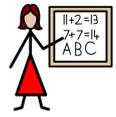

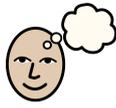

tell them how amazing Matilda is.

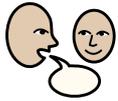

When she visits Matilda's house, Mr and Mrs Wormwood are

annoyed at being stopped when they are watching TV. Mr

Wormwood thinks Matilda has been naughty at school. Miss Honey

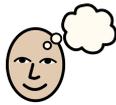

tells them Matilda is very clever and could go to university

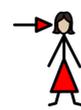

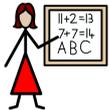

in a few years.

Mrs Wormwood does not want Matilda to go to university. Mr

Wormwood thinks people only learn bad habits at university.

Miss Honey can't persuade them Matilda is amazing. She goes

home.
