

Me in the World

This week we are thinking about a special day called VE day. On Friday, 8th May, it is a special holiday as we remember Victory in Europe day which took place 75 years ago.

This was when then the war in Europe finished and we remember all the brave men and women who fought and helped this country during the war. You may see some special programs on the TV.

Mathematics

This week we shall be learning about time again. I have sent you a sequencing activity about how a plant grows. Can you put the pictures in order??
Can you use the language of time as you sequence each picture - First, then, next, last?

BS Class
Our Natural
World
Summer
Challenge week 3

COMMUNICATION AND LANGUAGE

Can you tell your parents/carers something that you have really enjoyed doing at the end of each day?
Some of you may prefer to use Makaton signing to tell your story.

Literacy

This week I'd like you to listen to the Story called Jasper's Beanstalk by Nick Butterworth and Mick Inkpen. It is on You Tube. There is a diary for you to complete about the story, it connects with our learning about time as it sequences the days of the week.

Expressive Arts and Design

Our art activities this week are all about VE Day. I have included some things for you to do. There is a colouring sheet, a picture of a medal which you could design and a special craft activity to make a spitfire aeroplane.

Understanding the World

This week I should really like you to plant the seeds that I have sent to you. Everyone has got some flower seeds.
Some of you may need an adult's help to follow the instructions.
It is import to water them well after you have planted them in the soil. Then you must water them regularly so that they will grow especially if it hasn't rained. Plants need water and sun light so that they can grow.

Physical Development

Can you join in with an exercise session on the television or computer? Have any of you joined in with Joe Wicks?
How many laps of your garden can you run around?
Some of you may have seen the Go Noodle dance videos on You Tube -can you join in with them??
