

<p>Humanities - Geography <u>Investigating Coastal Resorts Around Britain</u> We will be looking at the features of a beach habitat this week. You have a PowerPoint to look through with different photographs. Choose one of the coastal resorts that you have looked at over the last few weeks and see if you can find those features at the resort you have chosen.</p>	<p>Literacy and Communication This week, we are reading to the end of Chapter 10 for <i>Matilda</i>; as we are about half way through there is also a PowerPoint to work/talk through which may extend some of your thoughts and ideas on the story so far. We are reading up to January 31 in <i>Love That Dog</i> (there are two versions of the task sheets). Please continue using the two versions of the additional optional literacy tasks sheets in the <i>Love That Dog</i> folders – keeping a record of what you do and when – as well as the online touch-typing courses: https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr (for two-handed typing) https://www.doorwayonline.org.uk/typing/singlehanded/ (single-handed typing)</p>	<p>Visual Arts - Art in Motion This week it's all about Kinetic Art! Kinetic means anything to do with movement. Motors, air, water and gravity can all be used to create moving sculptures. Please read through the information about Kinetic Art and Alexander Calder, then have a go at designing a kinetic sculpture of your own! <i>Mrs Savage</i></p>
<p>Me in the World - Safe Places, Important Places This week we are looking in detail at the Hindu place of worship: the Mandir (temple). Read through the slides to find out how Hindus worship, then use your new knowledge to label a picture of a Mandir. There is also a cool colouring to do of the Hindu 'Aum' symbol, which is very important to Hindus. They believe it represents life and the universe!</p>	<p style="text-align: center;">Pathway 3 Learning Cloud Week Beginning 18th May</p>	<p>Food Technology and lifeskills This week in Food Technology, your challenge is to prepare, cook and decorate 6 buns. Follow the recipe you have been given, watch the video on You Tube https://www.youtube.com/watch?v=tiIZytBHn40 and time your mixing. It should take no more than 30 seconds to mix your ingredients. make sure you share your mixture evenly so that they cook evenly, and remember, no licking that bowl! <i>You could also try making different flavours too. Remember to wash up and clear away afterwards</i></p>
<p>Numeracy Maths challenges this week focus on exploring standard and non-standard units of length. Pupils will be encouraged to estimate</p>	<p>Science This week we're looking at flowers and pollination and at how important bees are in helping to produce the fruit we eat. There's lots of blossom out on the trees</p>	<p>Physical Education Continue to try and do at least 30 minutes of activity every day. There is a range of links to websites on the school website on the PE page, under the</p>

<p>and measure household/ garden items using rulers and/ or tape measures.</p>	<p>and plenty of flowers for you to look at and see if you can name the parts flowers.</p>	<p>learning resources tab. Have a go and challenge yourself to try something new.</p>
