

To all the lovely children in Class JH,

The weather hasn't been as lovely this week and it has rained a lot! I wonder what you have been getting up to while it's been raining outside. I have spoken to lots of mummies and daddies on the phone this week and they told me that you have been doing lots of crafts, swimming in your back gardens, going for lovely walks and playing lots of games! This week, I went to Bolton Abbey to play in the river and go for a walk. It was lovely and warm, so I even had an ice cream!

We are doing some more work on rainforests this week and what happens when we chop them down. I hope you enjoy doing some of the tasks this week and don't forget to send me pictures to [hallj@forest.n-yorks.sch.uk](mailto:hallj@forest.n-yorks.sch.uk) – I might even send you some pictures of what I've been up to with William too (or if you're super lucky, I might share a cute picture or two of my little cats)!

Stay safe and happy everyone! **From Miss Hall** ☺

To you amazing parents and carers,

I am looking forward to welcoming some of your children back into class in the coming weeks. I have got lots of plans for activities we can do to make everyone as happy as we can be during all the changes. For those of you who are staying at home, I will still be putting work onto the website and I will still be available for e-mail if you have any questions for me. My email address is [hallj@forest.n-yorks.sch.uk](mailto:hallj@forest.n-yorks.sch.uk), so you can email me any time and I will make sure I get back to you as soon as I can!

Finally, as usual, there is another fresh set of work in our class folder on the website, so please do have a look if you get chance. If you have any problems accessing any of the resources or you would like further assistance with anything, please don't hesitate to email me and I will get back to you as soon as I can.

Take care of yourselves and I look forward to speaking to you all again soon!

From Miss Hall ☺
