

### Spellings focus

- have a look at the English guidance sheet
- complete the activities to practice your spelling of high frequency words

### Keep going with your daily diary!

- Maybe this week you could tell me:
- What did you do during half term?
  - Have you seen any family members?
  - Have you been in a paddling pool?

### Play some Maths Games!

<https://www.topmarks.co.uk>

Keep going with your maths games as they are a great way to keep on top of your skills!

### Patterns

Can you find some natural objects in the garden or on your walk?

Collect groups of different objects and then see if you can arrange them into different repeating patterns! You could collect flowers, seeds, pebbles, sticks – anything you can find lots of!

Take pictures of your patterns and share them with me via email

Summer 2

Week 3

'Our Natural World'  
Challenges

### Reading miles – Global Challenge

- read 2000 miles worth of your book
- that's 4 jumps in your *reading miles passport*

Where have you reached now?

### GET ACTIVE!

Try and do at least 30 minutes of activity every day!

Understanding the  
World

Me in the  
World

### Create a piece of rainforest art:

This week I would like you to get arty!

Can you create a piece of art around the rainforest?

You could draw or paint me a picture, or if you would prefer, you could make a collage, using pictures from the internet.

I would like you to include animals from right down on the forest floor, to up in the canopy and it would be great if you could add some labels too!

### Watch Planet Earth

<https://www.bbc.co.uk/programmes/b0074tgb>

- this episode talks all about the rainforests
- what animals can you see?
- why is it important to look after our rainforests?

### Share some kindness!

Being kind to others is a great way to keep our minds happy and healthy!

I wonder if you could write a letter or draw a picture for one of your friends from our class?

If you send them to me, I will send them on to your friend! 😊
