

Dear Pathway 2 children,

Mrs Ireland and I hope you are all ok? We are really starting to miss you and can't wait to see you again!

Mrs Ireland and I loved seeing you completing the last set of challenges that we thought you might like to have a go at some more. We have loved seeing the work that you have been doing on Facebook and email. Please continue to send us your fantastic work... it makes our day!

irelande@forest.n-yorks.sch.uk taylor@forest.n-yorks.sch.uk

Stay safe everyone. We can't wait to see you again soon!!

Miss Taylor.

Pathway 2 Challenges

<p><u>Literacy and Communication Challenge 1</u></p> <p>Can you write up a conversation you have had with someone today? Remember how someone said it and add that in as an adjective.</p> <p><i>Extension – “Can you remember to use speech marks correctly?” questioned Mrs Ireland.</i></p>	<p><u>Literacy and Communication Challenge 2</u></p> <p>How many words can you think of that have either ch or th in them?</p> <p><i>Extension – what is the longest word you can think of with either of those sounds?</i></p>	<p><u>Literacy and Communication Challenge 3</u></p> <p>Write a what happened next. Pick a picture from a magazine and write the most dramatic story of what happens next.</p> <p><i>Extension – Can you cut the picture out and add speech bubbles or thought bubbles?</i></p>
<p><u>Numeracy Challenge 1</u></p> <p>Look at your desk or table. What shapes can you see? Can you use a ruler to draw them accurately?</p> <p><i>Extension – can you name the 2D shapes you have drawn? Can you name any 3D shapes that have those 2D shapes as one of their faces?</i></p>	<p><u>Numeracy Challenge 2</u></p> <p>Can you create a word problem with a matching number sentence of something you have done today? For example;</p> <p>I had 40 minutes of screen time, but I have used 13, how many minutes do I have left?</p> <p>$40 - 13 = 27$</p> <p><i>Extension – Can you use a three or four-digit number, and work it out using the column method?</i></p>	<p><u>Numeracy Challenge 3</u></p> <p>Multiplications are a target for most of us right now. Can you find foods either in your cupboards or online that use multiplication and work out the total? For example;</p> <p>Jaffa cakes come in packets of 2 x 12.</p> <p>$2 \times 12 = 24$</p> <p><i>Extension – Can you work out the price using inverse? The beans were £3, they come in packs of 6, so £3 divided by 6 is 50p</i></p>
<p><u>Geography Challenge</u></p> <p>Take a look out of your window. What types of features can you see? Fields, or a stream, or residential houses, or a business district? Can you draw a picture and label them?</p>	<p><u>History Challenge</u></p> <p>Can you make a timeline of your life? Put all the big important things on there in order.</p> <p><i>Extension – Can you include dates and locations?</i></p>	<p><u>Art Challenge</u></p> <p>Can you create a recycling robot? Use clean recycling and use making tape or glue to make a robot ready to cheer up the wonderful people who collect our bins.</p>

<p><i>Extension – Can you name what these features are made of? Are they man made or natural?</i></p>	<p><i>Can you add pictures?</i></p>	<p><i>Challenge – can you make your robot do something? Can you make a hole to post in the milk lids? Can you research what materials can be recycled in your area? Why do you think that is?</i></p>
<p><u>Science Challenge</u></p> <p>Create a family tree as far back as you can. This does not have to be your family, you could make one for the Simpsons, or for horrid Henry!</p> <p><i>Extension – Can you track the DNA traits? Write down what colour eyes or hair people have and see how far back it goes.</i></p>	<p><u>Expressive Arts Challenge</u></p> <p>Can you create a lockdown rap or song? Can you add movement to your track?</p> <p><i>Extension – Can you make up a TikTok worthy routine for us all to learn?</i></p>	<p><u>Food Technology Challenge</u></p> <p>Plan a three course meal. Can you make sure all the food groups are included so it is healthy?</p> <p><i>Extension – Can you make it a vegetarian or vegan? Can you make it dairy free?</i></p>
<p><u>PE Challenge</u></p> <p>Set yourself an aiming challenge. Set up a bucket and a soft ball, throw the ball into the bucket. Every time you get the ball into the bucket take a step back.</p> <p><i>Extension – Can you get the ball in while moving?</i></p>	<p><u>Preparing for Life Challenge 1</u></p> <p>Create a meal plan. Can you write down, together with your family, what meals you are going to eat for the rest of the week.</p> <p><i>Extension – Can you write your shopping list based on the meals planned?</i></p>	<p><u>Preparing for Life Challenge 2</u></p> <p>Make a lock down CV. Write all the things you have achieved this lock down. For example; May 2020 - Achieved level 12 on Super Mario June 2020 - Helped Mum unplug the shopping.</p> <p><i>Extension – Can you write what you have learned from this achievements? Have you learned patience or hoover control?</i></p>
