

Me in the World

Safety in the sun

It is important that we look after ourselves in the hot weather. Think about being safe in the sun. There is a safety worksheet for you to do which will help you learn about sun safety. You will need scissors and glue for this.

This is a little song to help you learn to stay safe in the sun

Expressive Arts and Design

Have a go at making a paper plate pet.

What will your pet be called?

What does it like to eat?

Does your pet like to go outside?

It would be great to see a picture of you with your pet

Mathematics

We will continue to practise our counting and addition skills this week.

There is a worksheet with addition problems to help you

There is also a butterfly addition puzzle which for you to try. You will need some coloured pencils to help you.

Communication and Language

Continue to think about asking questions this week.

You could ask a grown up what is for tea? Try to use full sentences and wait for the answer. Some of you may prefer to use Makaton signing to tell your story.

English

We are thinking about colours and different colours we see all around us.

Can you name your colours?

Try and spell colour names

Go on a scavenger hunt looking for colours in and around your house and garden. There is a worksheet to help you. Draw what you find or write it down and take a photo if you can.

Here you can learn to sign colours

Science

Where does our food come from?

Ask a grown up to help you and talk about where our food comes from thinking about in particular where does fruit come from. Watch an episode of William Wiskerson and his adventures in an orchard.

There is a matching worksheet to try.

Physical Development

Don't forget to keep your exercise up.

Have you joined in with an exercise session on the television or computer?

There is Joe Wicks at 9.00am every day.

Or you could join in with a Cosmic Yoga session on You Tube, just like the ones we do in class. There are lots of different stories you can choose from
