

### Book study

Read "The Three Little Pigs" or watch it on YouTube by Debbie and Friends.

#### Writing challenge

Write about your house.

- What is it made of- bricks, wood...?
- Is your house detached, semi-detached, a flat, terraced...?
- How many rooms does your house have?

Example: "I live in a semi-detached house with 2 bedrooms, a kitchen and a living room."

AND/OR

Draw your house and label each room.

### Mindfulness

Watch and follow "Mindfulness Monday: Finger Fiddle" by barefoot books on YouTube.

### All about plants

Go on a plant hunt in your garden or on your daily walks. Use the checklist to help.

English

Me in the World

### Plants

Use the worksheets to help you complete at least one of these activities:

- Plant growth sequencing
- Put together a flower
- Plants need...
- Grow your own plant!

### Perimeter

**Perimeter** is the total **distance** around the outside of a 2D shape.

Perimeter can be measured in many ways but this week we will be using our feet!

Put one foot in front of the other with your heel touching your other foot's toes and count your steps to measure the perimeter of different rooms in your house.

Can you measure the perimeter of:

- your bedroom
- the garden
- the kitchen

Example: Mrs Batchelor's kitchen is 20 steps long and 10 steps wide.

### The three houses

- Can you make a house of straw?
- Can you make a house of sticks?
- Can you make a house of bricks?

### + and -

We are going to keep practicing subtraction or take away.

Remember- when we take away, the amount always gets smaller.

This week, try and use a numberline to 10 or 20 to solve subtraction problems. Hop backwards along the numberline to find your answer.
