

Memories

Write or draw as many memories from your time in Class JB as you can.

Think:

Who- did you spend time with?

What- what did you do?

Where- where did you go? (Clue- Harlow Carr, Lidl, playground, classroom)

When- when did your memory happen? (Clue- Christmas time, Spring?)

Please send me your memories as I would love to see them!

Get Active!

Try and do at least 30 minutes of exercise a day.

Watch

Newsround!

Keep up to date with the latest news by watching Newsround:

Understanding the World

Watch a caterpillar turn into a butterfly.

<https://www.bbc.co.uk/teach/class-clips-video/how-caterpillars-change-into-butterflies-no-narration/zn4rkmm>

How did the caterpillar change into a butterfly?

What does the caterpillar do to become a butterfly?

Can you tell me what it looks like before, during and after it changes?

Me in the World

Class JB

Summer Week 12

Last week of school/
home learning!

Music

Maths

Find the beat!

Play your favourite tunes.

Find the beat!

Sway/ clap/ stamp/ tap your knees/ click your fingers to the beat of the music.

Try doing that for a fast tune and a slow tune.

Tempo= how fast or slow a piece of music is.

Time

Practice telling the time with these online games.

<https://www.topmarks.co.uk/Search.aspx?q=clock>

Time: the clock

Last week we recapped our day. This week let's look at the clock.

When the big hand is at the 12 it is "o'clock". Can you notice when it turns 9 o'clock, 10 o'clock and so on?

Think about the parts of your day which happen at the same time everyday. For example, when you wake up, have breakfast, lunch, dinner and go to bed may happen at the same time everyday. Notice where the hands on the clock are at these times.

Use the worksheets to make your own clock and match the times to the clock face!
