

Me in the World

This week I'd like you to have a look at the pictures of the seaside in your pack. It is important to keep safe when you are near the sea. Look at picture and can you spot any dangers? Draw a circle around any dangers that you can see.

Mathematics

This week we shall be thinking money again your task is to work out which coins are needed to buy each of the ice creams. Some of you may need to ask your parent/carer to cut out the paper coins.

COMMUNICATION AND LANGUAGE

This week, I should like you to use your own means of communication e.g. speech, Makaton or PECS to tell your parents/carers some of the sea creatures that are mentioned in the story A Hole in the Bottom of the Sea.

Literacy

This week I would like you to listen to the book A Hole in the Bottom of the Sea. on You Tube. In your pack there are sheets for you to write down something about each of the seaside pictures. Some of you could tell your parents about what you can see in the pictures and they will write it down for you. Other children will be able to have a go at writing their own sentences.

Expressive Arts and Design

This week, as we are learning about the seaside and sea creatures, I have included in your pack step by step about how to draw different sea creatures, there is an octopus, a crab, a fish and a star fish for you to have a go drawing.

**BS Class
Seaside
Summer
Challenge week
13.7.20**

Understanding the World

In your learning pack this week, I have included an iced lolly recipe. There are 3 different ones to choose from. There is a fruit juice, lolly a multi coloured lolly and a yogurt lolly. Which one will you choose? I hope you have fun making them!!

Physical Development

This week, I'd like you to have a go at doing Squish the Fish Cosmic Kids Yoga on You Tube. It's really good fun! Doing some exercise every day is really good for us it keeps us fit and healthy!!
