

Dear Brambles

Key Stage 3/4 Challenges

The teachers and teaching assistant are really missing you and can't wait to see you again very soon.

Key Stage 4 team know that you work really well and hard at school and that you can work just as hard at home. The adults that you live with can complete the work packs BUT we also think it's time for you to complete a range of fun challenges! These challenges link to work that you have been covering within each half term.

You don't need to complete more than one of these challenges a week; this is because some of them may take a week to complete or need you to gather different resources. You can also complete them in any order that you would like. We are hoping that you enjoy completing these challenges over the next few weeks.

We'd like you to have some fun with these activities and be as creative as you are in class. We would also like to see lots of photos or videos of you completing the challenges so we can share them with other children in school. Please ask your adults to share these with class teachers via email or Mr White, home learning coordinator, whitel@forest.n-yorks.sch.uk

10M	Miss Midwood	midwoodc@forest.n-yorks.sch.uk
10S	Miss Jones	jonesv@forest.n-yorks.sch.uk
11B	Mrs Bean	beanc@forest.n-yorks.sch.uk
Brambles Class	Mrs Kordyga	kordygan@forest.n-yorks.sch.uk

We know you'll complete these challenges to a high standard and can't wait to see your incredible work! If you do need any help, please ask the adults in your house to message your class teacher or Mr White.

Keep safe everyone! Remember, it is important to stay home at the moment so it's good to challenge your brain and body whilst you are doing this. Can't wait to see you in school soon!

KS Team and Mr White
