

22<sup>nd</sup> October 2021

Dear Parents and Carers,

Thank you so much for all the support over this last half term.

Things are better now as we no longer have to close bubbles which means we can have much more routine in school but still clearly we continue to be affected by positive cases both in school and in the wider community. The continuation of LFT has been very helpful in helping to keep everyone as safe as possible and I am grateful for all your continued help with this.

We have been asked to request that parents and carers continue to test children through the half term holiday. If you could ensure where possible that your child is tested on Sunday 31<sup>st</sup> October before we return to school on Monday 1<sup>st</sup> November to help identify any children who may be infected with the virus.

And child who tests positive on LFT is required to take a PCR test and cannot attend school whilst awaiting the results. If your child is displaying any symptoms please do not send them into school.

The children are really looking forward to the Halloween celebrations in school and I wanted to say thank you very much for helping to make this a special occasion.

I really do hope that you have a lovely half term break. As always if you need anything, you know where I am.

Your sincerely

Michelle Farr  
Headteacher  
The Forest School
