

22<sup>nd</sup> October 2021

Dear Parent and Carers,

I wanted to drop you a separate line before we broke for the holidays to just update you on the plans for replacing me when I leave at Christmas.

I am delighted to tell you that Mr James and Miss Frankland will be interim Co-Headteachers of the school until the summer term.

This is the most wonderful news as it means that there is consistency for our children and for the staff and I am incredibly confident in their ability to run the school.

I am fairly certain that you will be just as pleased as me with this arrangement and my most sincere congratulations go to Mr James and Miss Frankland. I know that you will be every bit as supportive to them as you have been to me.

With all good wishes.

Michelle Farr  
Headteacher  
The Forest School
