

22<sup>nd</sup> November 2021

Dear Parents and Carers,

We want to go ahead with the Christmas Fair on Friday 26<sup>th</sup> November but obviously we cannot ignore what is going on in our communities in respect to COVID-19.

I am writing to ask for your continued support and would like to request as a precautionary measure, as many of you as possible, take a lateral flow test on Thursday night or Friday morning. This will help to identify anyone who may be asymptotically carrying the virus and will therefore help to keep all of us safe.

Please be aware that we not asking to see the evidence of any tests, this is a request for our safety, and I trust that you help with this where you can.

We really have come through so much together and I'm incredibly grateful for all the continued and consistent support throughout all of this.

As always, if you need us, you know where we are.

Yours sincerely

Michelle Farr
