Dear Parents and Carers

FUNDRAISING UPDATE

Welcome back to the new school year, and we are raring to go with the final phase of our project to provide a Multi Use Games area on part of the school field. We hope to commence the work for this in 2023 and continue to raise funds to help us achieve our goal. Due to the generosity of Charitable Trusts, Donors, Volunteers, staff, parents and pupils we have managed to develop both the Early Years and Main Playgrounds and the Food Technology Classroom. Those of you who are new to the school will be experiencing these new spaces for the first time, and I am sure you will agree they are well worth the investment of time and money.

With the rising cost of living we really appreciate that making a donation or supporting an event can be a real challenge, however some of the ideas below don't cost anything and could potentially result in raising funds for our school project.

Bags2School

Date for your diary - We have organised a textile collection with Bags2School on **Tuesday 1st November 2022**.
