

4th June 2025

Dear Parents and Carers,

I am writing to share the fantastic news from our recent Ofsted inspection on April 23rd and 24th, 2025. We are delighted that the inspectors recognised the many strengths of The Forest School, with particular praise for the exemplary behaviour and attitudes of our pupils.

The report highlights the positive and trusting relationships between pupils and staff, the inclusive and well-structured curriculum, and the ambitious and personalised expectations for learning and growth. We are especially proud of the recognition of our strong personal development programme and the way we support pupils to thrive, both academically and personally.

Of course, we also welcome the feedback from the inspection team on areas where we can further improve. We are already embedding the recommendations regarding the development of writing and reading skills into our academy development plan to ensure that all pupils achieve their full potential.

Thank you for taking the time to share your views with the inspectors; your feedback is invaluable and helps us to continue to develop towards excellence.

I would also like to express my sincere gratitude for your continued support over the past 26 months. Your partnership has been crucial to the progress we have made.

We are committed to providing the best possible education for every pupil at The Forest School, and we look forward to continuing to work together to ensure their success.

Yours sincerely,

Emma Nuttall
Head of School
